

**Summary of Public Comments and Department's Responses**  
**10-144 CMR. Ch. 282**  
**Prenatal Care Program**

The Department of Health and Human Services, Maine CDC published notice of its proposal to repeal this rule on July 10, 2019. No public hearing was held, but a comment period was held until August 9, 2019. During this comment period, the Department did not receive any comments regarding the repeal of this rule.
